MUSICAL SYNOPSIS:

The jungle is jumpin' with a jazzy beat in Disney's The Jungle Book KIDS. Specially adapted from the classic Disney animated film, Disney's The Jungle Book KIDS features a host of colorful characters and your favorite songs from the movie.

Banished by the ferocious tiger, Shere Khan, a human boy named Mowgli and his panther friend, Bagheera, are on the run in the deepest parts of the jungle. On their journey, the two meet a sinister snake named Kaa, a herd of elephants and a giant bear named Baloo, who teaches them the swingin' musical rhythms of the jungle. After surviving a dangerous encounter with a band of monkeys led by King Louie, Mowgli and Bagheera are forced to run for their lives. When Shere Khan returns, our heroes must rally their fellow animals into battle and restore peace throughout the jungle.

Other guest instructors/directors TBA

Students will receive a camp t-shirt, headshot photos, and performance DVD that are all included in your cost.

Our camp is set up for students entering 4th grade through 9th grade. Camp is not set up for visitors and there will be no observing of classes. Campers are not allowed to bring friends with them. Students will be expected to work on lines/dialogue and songs at home as well as during the camp day. If students are not able to have their lines memorized, they may be moved to a different role without the dialogue pressure. Our goal is for all students to feel successful. We have a short window for students to rehearse the show before their performance. They will definitely need to be responsible if they are chosen for lead roles or solos.

As in any audition, directors go by what they see AT THAT PARTICULAR MOMENT. There are a variety of roles and students will be placed where the directors feel that they can showcase their best talents. Audition specifics will be provided on the first day.

Please be aware that we will do everything that we can to include all campers in every class and rehearsal. However, if their behavior is counter-productive to the class and is a continuous disruption, students may be sent to a refocus area. If the behavior continues, parents/guardians will be contacted to come and pick up students. Also, if a student's behavior is such that they are a continued distraction, they will be removed from the show. Behavior that keeps others from learning and being successful will not be tolerated.

Bullying behavior to other campers or staff, whether physical or verbal, or through social media, will not be tolerated. Ensemble is encouraged for all, and this type of behavior has a negative impact upon the campers.

Our camp is a performance camp, with a short rehearsal schedule. As such, it is extremely important that students are here for the entire time. When students are cast, they are expected to commit to the role and see it through until the performance. If students are absent, their part may be recast at the director's discretion. Please reschedule any dance, gymnastics, private lessons, and appointments. Students should not be involved in other camps that interfere with KidzAct.

Daily dress: **NO FLIP FLOPS OR SANDALS!** Students will not be able to participate if they do not have the proper footwear. **NO BARE FEET!!!** If students wear a skirt, they must wear shorts underneath as we will be moving a LOT. Please, no revealing clothing; no low cut or midriff tops, no short shorts (please be mid-thigh length).

Students will have designated times to use cell phones. Electronics will be put up during camp. There will not be a phone on-site; for emergencies call or text Misty Deggs at (936) 240-8306.
